About Roodkapje

Roodkapje is Rotterdam's local laboratory for ART X LIVE X FOOD, and everything in between. A space that simultaneously is an exhibition venue, concert hall, event location and hamburger restaurant. We come from a long background of pioneering, self-organizing and resetting definitions, with a strong DIY-mentality instilled in everything we do. Roodkapje organizes a wide range of events, such as band nights, exhibitions, club events, festivals, workshops, performances and dinners. By organizing public events in a dynamic environment we inspire the mixing of communities, interests and backgrounds, breaking down separate domains of disciplines and art forms.

Roodkapje is the ideal spot for an EP release, party or a lecture with an open bar.

The Burgertrut

De Burgertrut is Roodkapje's cozy hamburger restaurant where you can drink, eat and meet others! The best veggie, vegan and organic beef burgers in town are accompanied by a great selection of art, music, coffee, tea, homemade (vegan) cakes, healthy salads and soups. Best of all, the profit of Burgertrut supports the cultural program of Roodkapje.
